

Friends,

One of the hidden blessings of the COVID lock down last year was the amplified realization that smaller nonprofits tend to work very well together. Two of the local non-profits that The A Week Away Foundation is privileged to work alongside are Lancaster County Field of Hope and the Jeff Musser Foundation. I mention them both to you, our faithful friends and supporters, because we cannot do what we do without collaborating with them several times throughout the year. As you consider how you can help to make a difference in the lives of families this year, who are battling life-threatening illnesses, please keep them in mind.

We are in this fight together!

Gratefully,
Lynn Walker
